

Nutri-Serve Food Management

We are proud to celebrate our 30th YEAR in the business of serving healthy & delicious meals to 94 school districts in the South Jersey, Central Jersey & Eastern Pennsylvania Area.

Nutri-Serve Food Management is excited to team up with *Clearview Regional School District* for the 2017-2018 school year. Here are some of the highlights of what we do best....School Food Service!

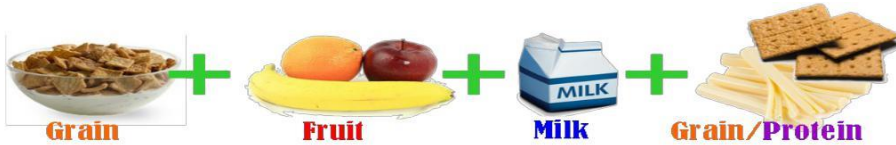

The National School Breakfast and Lunch Programs are regulated by the United States Dept. of Agriculture (USDA). Participating school districts receive meal reimbursements and reduced price USDA donated foods, which help keep meal prices reasonable for families across the nation. School Lunch and Breakfast Programs must adhere to strict nutrition regulations.

NEW AT CLEARVIEW—Get a Breakfast BOOST!

We are happy to announce that Breakfast will now be available to ALL students.

Breakfast will be served in the cafeteria to “Dine-In” or “Grab-N-Go”!!

The National School Breakfast requires 4 Items: **Grain**, **Fruit**, **Milk**, **Grain/Protein**. Students may take an additional fruit if desired!

Prices:

HS/MS Breakfast: \$2.00
Reduced Breakfast: \$0.30

Students must take at least 3 out of 4 components including a fruit.

The Meal DEAL!

USDA’s School Lunch Regulations requires 5 lunch components: **Grain**, **Protein**, **Vegetable**, **Fruit** & **Milk**.

Prices:

HS Lunch: \$3.75
MS Lunch: \$3.50
Reduced Lunch: \$0.40

Students must take at least 3 out of 5 components including a fruit or vegetable.

Students may take an additional fruit and veggie for 7 total items if desired!

Under USDA’s Offer vs. Serve policy, school lunch programs are required to *offer* all components and students must *select* at least 3 items (with one being a fruit or vegetable).

If your child is eligible for free or reduced lunch, the same applies for breakfast!

Applications for free and reduced lunch are available on the District website.

Also, for your convenience, **online prepayments** are possible using the site <http://www.payforit.net>.

with your child’s student ID number. Through this site, you will be able to transfer money to your child’s account, track purchases, create reminders and set up automatic payments. If preferred, you may continue sending in either cash or a check with your student and this payment can be applied to your child’s account by any cashier.

Nutri-Serve Encourages students to purchase a complete meal

Nutri-Serve’s two page menu is designed to clearly identify all daily complete meal options for students in a very eye-catching and grown-up menu structure.

The menu clearly explains USDA’s reimbursable meal requirements and encourages students to get the best “bang for the buck” by opting for the balanced school meal vs. purchasing items ala carte.

Please watch the website for our new and exciting Breakfast and Lunch Menus!

We look forward to a fun and healthy school year!
