August 2020

Dear Parent/Guardian:

In order to maintain a focus on the academics, we are requesting your help with preventing distracting elements from entering our school. Specifically, the items listed below have absolutely no educational or instructional value and, therefore, are **not** permitted to be brought to school.

- Energy Drinks
- Skateboards and roller blades or rollers on the bottoms of shoes
- Hover Boards
- Candy
- Water pistols
- Dice/playing cards
- Glass bottles
- E-Cigarettes

Electronic Devices: _

- **PHONES / IPODS** - Students should not have PHONES/IPODS out during hallway passing. Videos or picture taking are **never** permitted. Phones should be placed in lockers upon entering school and left there until dismissal.

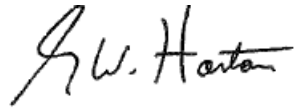

Please be aware that any device that is not used correctly will be confiscated and returned only to a parent. **The school will not be responsible for replacing phones or electronics that are lost, stolen or damaged.**

- **HATS** - When students enter the building in the morning, they are to place hats in their lockers for the remainder of the day. Hats should **not** be carried throughout the day.
- **SHOES** - Students must have shoes that are secured to the foot/ankle.

Again, with your assistance and support of the above rules, the students and staff at Clearview Middle School can maintain an appropriate focus on academic success. Thank you for your anticipated support in helping our staff do the best instructional job possible. We look forward to seeing everyone in September.

Sincerely,

Kathryn A. Bourquin
Principal

Peter J. DeFeo

Assistant Principal

Gregory W. Horton

Assistant Principal
